93rd YEAR No. 44

FIFTEEN CENTS

Mom Of The Year

'She had to win she's so crazy!'

It certainly came as a big surprise.

A surprise, that is, that Phyllis Cardiff was named "Mother Of The Year" by the Antioch Chamber of Commerce and Industry.

Phyllis, the mother of seven, thought it was a practical joke. Her kids are always playing practical jokes. "I thought they had to be kidding," she said.

But 10 year-old Susan Cardiff's essay, displayed on this page, won Mrs. Cardiff a long list of prizes donated by local members of the Chamber.

"All the kids agreed, she deserves to win — she's so crazy," said Susan.

Her list of prizes includes:

Ipsen Village Cleaners, \$10 free cleaning; Johnson Jewelers, gift; King Drug Store, gift certificate; Lake Area Barber Shop, couple of free haircuts; Lang's Fishing Center (Dolly's), free fishing boat for a day; Lasco Florist, plant or flowers; McDonald's, dinner; Park Avenue Gallery, \$10 gift certificate; Pin & Pleat, gift certificate; Polson's Dietary Foods, \$5 gift certificate.

Quaker Industry, tv trays; Ray's Shell, oil

change, \$5 gas; Reeves Walgreen Agency, gift or certificate; Regal China, gift; Roland's Bakery, Mother's Day cake; Sears, \$10 gift certificate; The Shoe Box, gift or certificate; Stanley's Mens Fashions, gift or certificate; Thompson's Restaurant, bottle of wine; Val & Dale's Ahoy Mate, dinner or bottle.

(Continued on Page 4)

My mother is the greatest because she had seven kids and she handled them all. She is the best cook in the whole world. And I love her so that's that!

Antioch News office open Wednesdays

As a new service to readers and advertisers, The Antioch News office, 952 Main St., now will be open Saturdays from 8 a.m. to noon, and all day Wednesdays, announced Publisher William H. Schroeder.

Want ads can be placed Saturdays. Also news and display advertising may be submitted until noon. Call 395-5755 or 395-4121 for further information.

Regular office hours for The News weekdays are 8 a.m. to 5 p.m.

MY MOM IS GREATEST— Susan Cardiff wrote essay nominating her mother Phyllis for Antioch Chamber of Commerce and Industry "Mother Of The Year" award. Her entry won and Mrs. Cardiff is as pleased with Susan as she is with her prizes, donated by local members of the Chamber.— Photo By Nancy Poulter.

NEW DESIGN — Artist Patricia Tanner designed the new logo that the Parks and Recreation Department will be using to further promote programs and facilities. The logo is a drawing of Hiram Buttrick Saw Mill. Look for it on the summer program brochure and our new T-shirts.

Plan commission hears multi-family plan

by BEVERLY CARY

Plans for a new subdivision to be located at Tiffany Rd. and North Ave. were discussed at the Antioch Planning Commission meeting. Bob Campbell from CABL presented a preliminary conceptual plan for multi-family land, which would contain 444 lots, and he stated that this is "well within the confines of zoning."

Their initial phase would develop 40 lots and they will donate 10 acres of land to the school district. Campbell asked to be put on the agenda for next month's meeting, at which time he will present more complete plans for the new subdivision.

Mr. Y. Soultanian presented his plans for 22.9 acres of land located on North Ave. and Nelson Rd. He asked the board for a petition to rezone the property from R-1 to R-2, residential. After careful consideration, chairman Dick Kirkpatrick called for a motion to be made. Michael Schueneman made a motion that the rezoning be denied because he feels that more homes in this area could bring added problems of flooding to existing homes nearby.

The board voted and the motion was denied. Soultanian then revised his request that the property would remain R-1 except for a designated B-1 area. The board ap-

proved this request.

Kirkpatrick opened discussion concerning the role and purpose of the Planning Commission. It was agreed that the board needs to establish some realistic goals and work together with the village board to formulate policies. Dan Skokan of the Lake County Planning Dept., who attended the meeting, was asked to offer the board any helpful suggestions.

An announcement was read from Mayor Micheal Haley that members Terry Folbrink, Michael Teeley, and Tony Starcevic will be reappointed to the planning commission.

FEATURED SPEAKER — Leo Athas, right, was featured speaker at annual Elementary-High School Board of Education-Administration Dinner meeting at Antioch Community High School. From left are ACHS Principal Art Blecke; Roger Woessner, chairman of

Prince of Peace School; Bill Herbst, principal at Antioch Upper Grade School; Dave Booth from Antioch Upper Grade; Glen Moore, ACHS board member; Howard, ACHS board member; and Tony Starcevic, ACHS board member.

Approve zoning variance

Ed Christensen of 490 Windsor Dr. presented his case to the Antioch Zoning Board. He is planning an addition to his house and part of it would be in violation of the zoning law.

After hearing detailed plans, the board voted to allow him a variation, as long as his plans do not interfere with adjoining property. The zoning board will present a favorable recommendation to the village board for their approval.

The board also learned that the terms of Joe Veith and Ted Burbridge have expired. Chairman Vern Burdick stated that members are appointed by the Mayor.

TALKING EDUCATION — Educators and school board members met April 25 for annual Elementary-High School Board of Education-Administration Dinner meeting at Antioch Community High School. Administrators and board members from feeder schools to Antioch High School attended session. From left are Antioch Grade School Supt. Dr. Donald Skidmore; Bruce Jablonski, Antioch Grade School board member; and Antioch Grade School Board Business Manager Ron Chilcote.

Cotillion tickets now on sale

Cotillion tickets are now available from members and at both banks announced Mrs. Edward Warner, ticket chairman. Table reservations may be made with Mrs. Ray Lorenz at 395-1152.

The Cotillion will be held June 2 at the Abbey on Lake Geneva.

Following an elegant dinner, dancing will be to the music of The Scotch Lads.

Persons wishing to enjoy the entire weekend at the Abbey to enjoy swimming, tennis and golf may reserve a room by calling The Abbey directly.

HAPPENING

"The Kenosha County Archeological Society will meet Sunday, May 13, at 1:30 p.m. at the Kenosha Public Museum.

The program will be given by Dr. David Overstreet of the University of Wisconsin, Waukesha, on the Red Ochre

burials excavated in 1979 at the "Freebie Site" near Milwaukee. Also, the site director for the 1979 U.W. Parkside Field School will be present to give full details of the school.

Admission is free and the public is invited.

Clerk starts drive to register voters

Taking advantage of a "slow time" in her office (if there is such a thing), Grace Mary Stern, Lake County Clerk has extended the availability of vote registrars throughout the county by dint of a heavy traveling schedule.

"I've been on the road," she said. "And don't let anyone tell you it's easy to be a traveling salesman!" She went on to describe her recent effort to call on the banks and other financial institutions of Lake County, where she instructed and commissioned registrars.

"From now on when folks move into a community in Lake County, they will find one-stop shopping insofar as registering to vote is concerned. The banks and savings and loan companies have cooperated to an unprecedented extent. In some, we have as many as five or six deputy registrars now, so that whenever the bank is open, a registrar will be available.

In addition, the County Clerk approached all the high schools and public

libraries in an effort to make registration available to those institutions as well.

"Curiously enough, we have had a less cordial response there than we got from the bankers. There are several libraries and high schools who have not even answered our letter. But where they were interested, we put them on the schedule. Village and City Halls too."

There are other changes in the clerk's approach to voter registration that took effect

this Spring. Prior to March 1, a registrar was paid 25 cents per new registration and 15 cents for each cancellation, transfer of address, and correction.

"Among our most faithful registrars have been the women of the League of Women Voters who continue to make themselves available at public gatherings, meetings and the County Fair for registering those in attendance. The nominal pay

was a great help to the League's over-worked treasury, but they have accepted the new "volunteer" program with good grace — and we're grateful," said Mrs. Stern.

Will this new accessibility increase voter participation? Stern was asked. "We hope to encourage everyone to get registered — that has to be the first step. Once registered there is, of course, no obligation to vote. But without the first step

there is no option to participate — you plain can't vote if you're not registered. After this is accomplished," she paused. "After everyone is registered, then it is up to the candidates and the media to make the participation attractive. In order to make the small 'd' democratic system work the way it was designed, each election must represent the opinion of an absolute majority of those governed."

How about it? Are you

registered to vote? Have you moved — without changing your "voting address" with the County Clerk? Have you changed your name without bringing your record up to date? Has someone who resided with you died or moved to another location? If any of these things are true, call on your friendly neighborhood banker, librarian, village or township clerk of high school — a warm reception is guaranteed...

MIKE GOOD

Masons urge blood donors to participate

On Sunday, May 20, between 11 a.m. and 2 p.m. Masons from the Sequoit Lodge 827 in Antioch, the Millburn Lodge and the Libertyville Lodge will share in the live-giving process of donating blood.

The Red Cross blood drive will be held in Millburn at the Millburn Masonic Lodge at Grass Lake Rd. and Rte. 45.

Earl Stringer, master of Sequoit Lodge and chairman of the blood drive Michael Good urged everyone to try to take part in this much-needed blood drive.

Donating blood is a two-fold source of personal satisfaction.

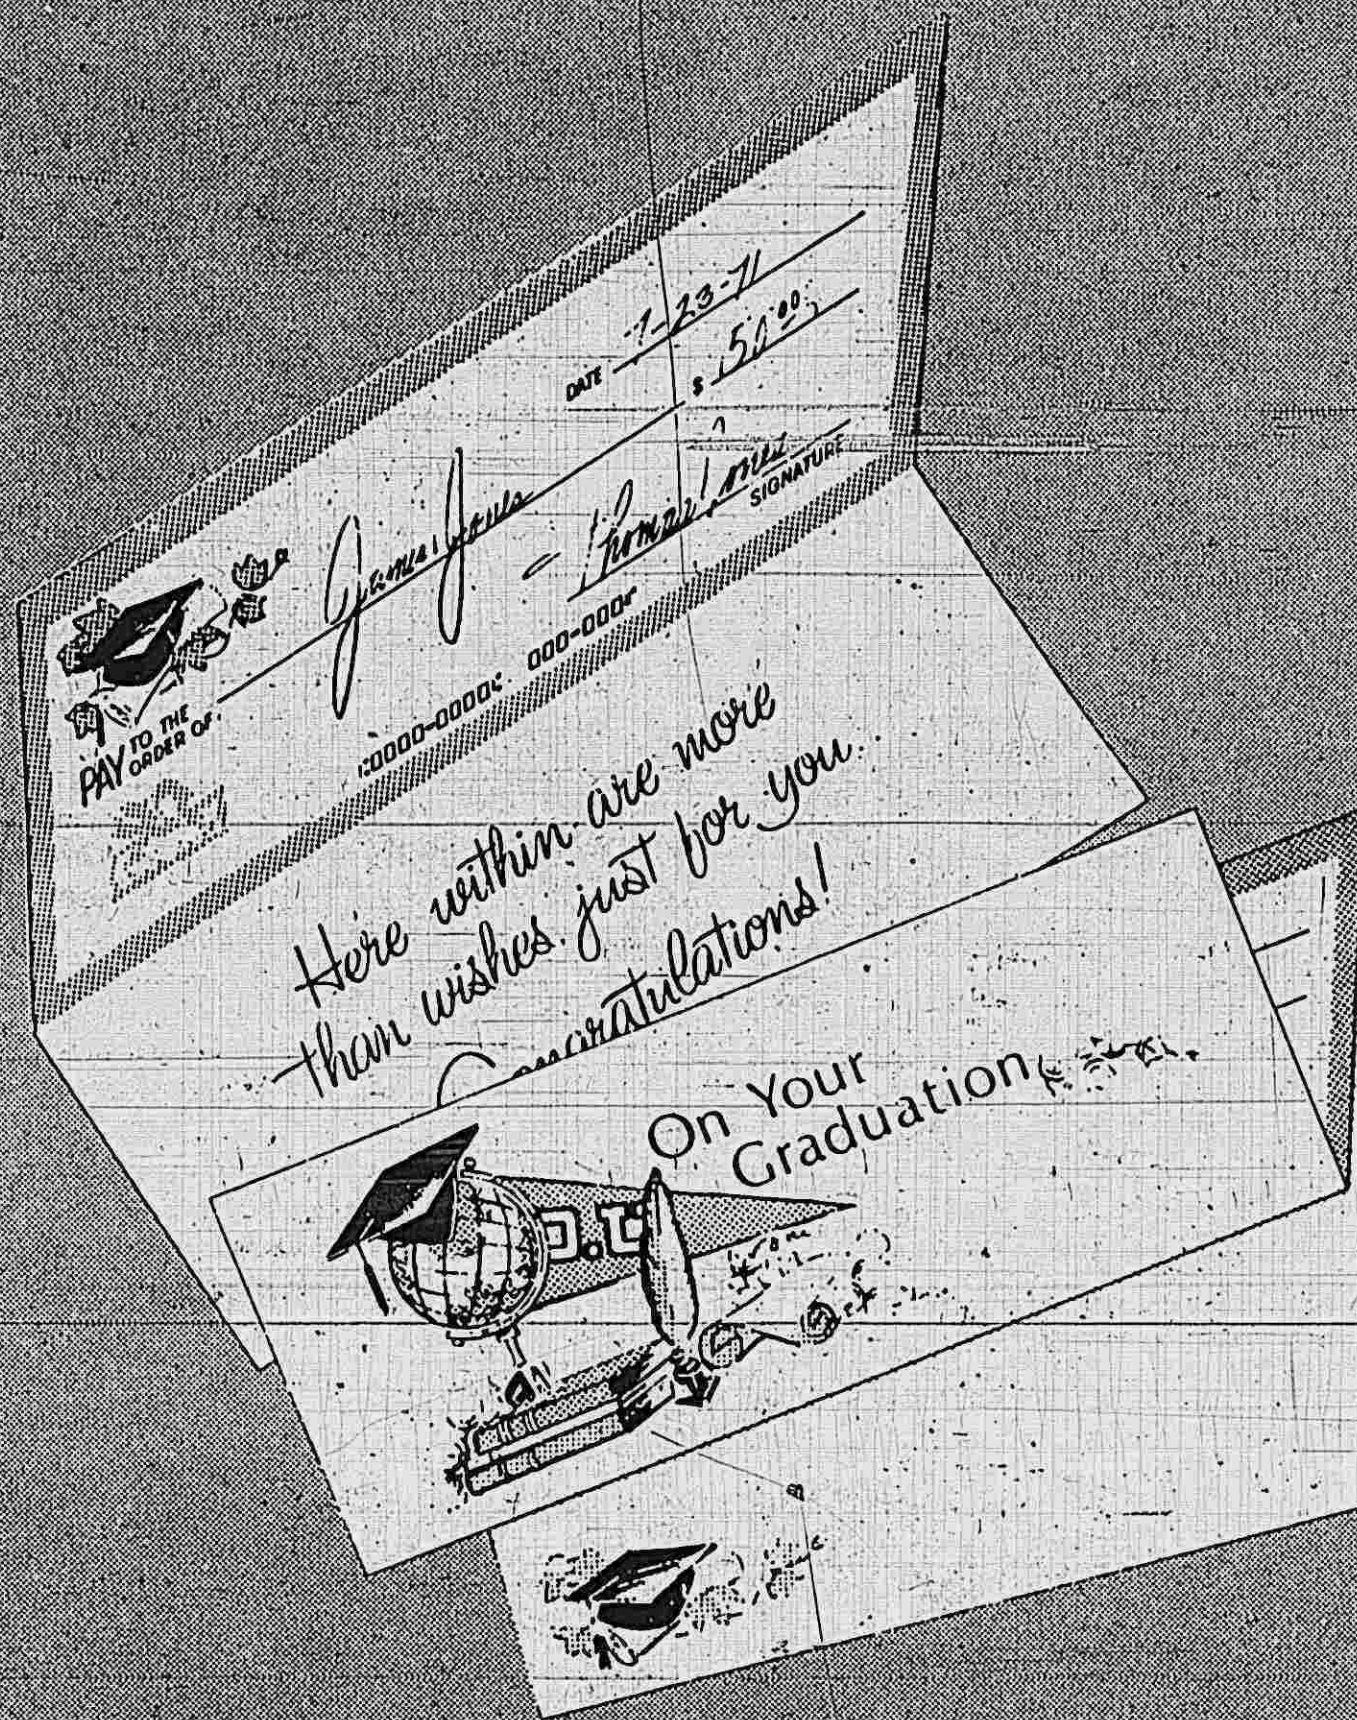

"First is the feeling you only get when you give a part of yourself, in this case, your blood, to help save the life of another human being. Secondly and possibly of more direct interest to you the donor is the sense of security in knowing that your donation insures that you and your family are covered by a nation-wide blood replacement program administered by Blood Services of Chicago," Good said.

Although this is primarily a Masonic program, it is open to non-Masons as well who are invited to join as proxy donors in which case the donor and his family will be covered under the program just the same as Masonic donors.

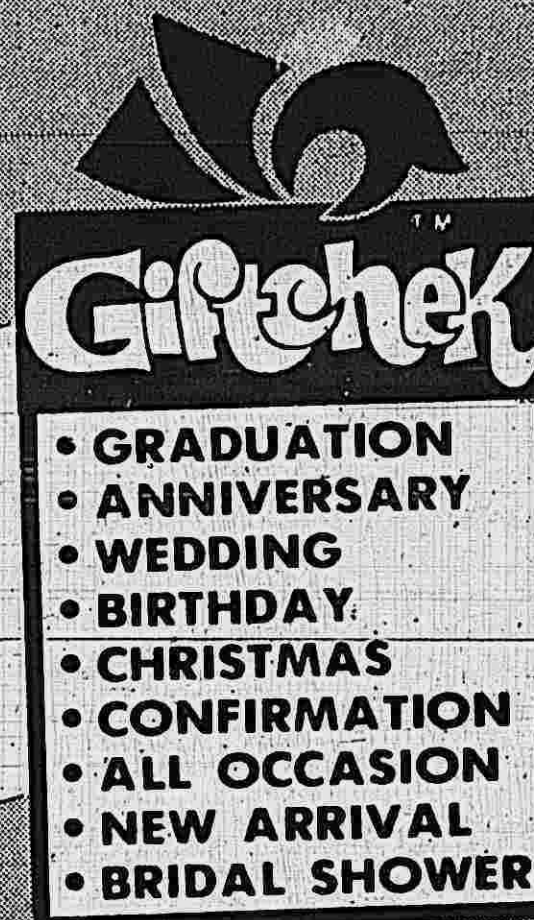

To schedule an appointment to donate, or to receive further information call Mike Good at 395-8333.

MARRIOTT SUPERSTARS—David Kousser, seen here with co-star Karla Bush, plays role of Jesus in popular musical "Godspell" on stage through May 27 at Marriott's Lincolnshire Theatre. Broadway hit is rollicking, contemporary musical adaptation of Gospel according to St. Matthew.

When your dog rolls over his back and wags his tail, he may be communicating more than a desire to be stroked. Some animal behaviorists say the dog is offering you an expression of extreme trust and love by exposing his vital and vulnerable parts.

Establish fund for needy athletes

A special fund for Antioch Community High School athletes has been established. Athletic Director Ward Lear announced.

The fund will be available for high school athletes, both boy and girl, who are in need of financial assistance in meeting the expenses of shoes, insurance, and other personal gear that is not furnished by the athletic program.

The fund has been established by the teammates, classmates, other interested athletes, friends and families of Brian Beal and Dan Verkeyn both deceased.

Brian and Dan were two fine young athletes and honor students in their junior year here at the high school, Lear said.

Dan participated in both Cross Country and Track during his three years. Brian had won major letters in three sports — Football, Wrestling and Track.

These young men lost their lives in an automobile accident while attending the Regional Basketball Tournament in Rockford in mid-March. The memorial fund established by the many friends of the boys and families is a sizable fund, Lear said.

With accumulated interest each year, the administration said it feels the fund will have a working life of over 20 years in which to help Antioch athletes that might not be able to participate without a little assistance.

Village board ready for mosquito fight

by BEVERLY CARY

Newly elected trustees Edgar Simonsen, Arnold Weber and William Seemann were sworn in at the Monday meeting of the Village Board of Antioch.

Village Clerk, Marilyn Sterbenz opened bids for new police squad cars, which was awarded to John Teresi Chev-Olds for two 1979 Chevrolet Malibus at a combined cost of \$9,300 with trade-ins.

TWO BIDS were opened for construction of a 100 foot tower at the new Fire and Safety building, but it was decided not to award the bid at this time.

Trustee William Seemann made a motion to authorize the Village Attorney Andrew Lynch, to draw up an amendment to the zoning ordinance authorizing a variance for a five-foot sideyard minimum at 490 Winsor Dr. for Mr. and Mrs. Ed Christensen.

THERE IS A charge of \$150 to the party involved in a variance, and trustee Donald Amundsen moved to rebate \$75 of the amount back to the Christensens.

Trustee Arnold Weber offered a motion to approve a one-day-liquor-license for the An-

tioch Volunteer Firefighters Assn., for their annual dance on June 30, and also asked that the fee for the license be waived. Concerning mosquito control for the village, Weber asked for approval of a two-year contract with the Clarke Outdoor Spraying Company at a cost of \$6,751 per year. The board was agreeable to both motions.

MRS. STERBENZ read the financial report to the board and stated that monies have been received for park donations. The board passed a motion to set up a new escrow account for this money.

Trustee Vern (Barney) Barnstable requested the hiring of three new employees for the summer in the Public Works department.

The men have been selected and their wages set. The board agreed and passed the motion. Barnstable also declared that there are two old vehicles needing disposition and asked that they be advertised for sale.

Trustee Amundsen asked the board to authorize an appropriation of \$246 for the support of the Northeastern Illinois Planning Commission (NIPC) as the village's share.

The Time Machine

50 YEARS AGO: MAY 9, 1929

Well known in Antioch and a former resident here, Bertha James Carrell, soprano, will be a welcome guest here when she returns to give a concert Monday night, May 13. She will be assisted by Rudolph Mangold, concertmeister of the Chicago Opera orchestra and formerly guest conductor of the Chicago Theatre orchestra.

Pitted against the stiff, direct competition of other summer resort centers, the Chain O' Lakes booster representatives in the booth at the Outdoor Life and Motor Boat show which is being held in the Coliseum in Chicago, are putting the region over with flying colors as the happy vacation land for everyone. The booth workers captained by A.M. Krah and John Nixon completely stole the play away from competitors and "wowed" the immense crowds.

Announcement was made yesterday by Fred B. Swanson that he has taken over the management of the Crystal Theatre, Main St.

Don't think for a minute that the Antioch men who went to the Out-Door show Tuesday night were a gang of sleepy-eyed, quiet mortals. Taint so. Thirty men (and an occasional woman) filled the motor coach with cigarette smoke, cigar smoke and snatches of something which might have been called music.

Bob Abt seemed to think it most proper and fitting to sing opera. Then Homer Winch felt that he simply must demonstrate his ability to yodel, so he amused himself thusly until Walter Scott (direct descendant of Sir Walter) got it into his head that he, too, could yodel.

Dick Powles and L.O. Bright showed up the rest of the crowd by sporting derbies. Charles Cermak was evidently ashamed to get on the bus in Antioch so he hailed the driver at Loon Lake. Come to think of it, it did take a lot of nerve to board a motor coach with so many bold natives on board. Rex Alexander Bonser shot paper-wads, tittered and giggled and hit a woman in the eye with one of his wads, causing her eye to tear and turn black and blue. S. Boyer Nelson wore his flashiest tie and sang his flashiest baritone.

Sam Tarbell, commonly referred to as Justice because he managed to get a few votes on election day, sang everything from "Rocked in the Cradle of the Deep" to "Yes, We Have No Bananas." Ted Paulus entertained with sketches about the "old country!"

Really pathetic the way these boys wrap themselves around the food. At the booth John Nixon and Vincent Dupre were busy - John telling about the Chain and Vincent setting a good example of what kinds of whoopee could be raised.

John kept stressing the nearness of the Chain O' Lakes to the loop so much that by Saturday he will be saying that Antioch is in easy walking distance of Chicago!

Mrs. Addie Williams has been selected as typical mother in Antioch.

20 YEARS AGO: MAY 12, 1949

Herman Holbek was re-elected captain of the Antioch Rescue squad for a two-year term. Walter Scott was made first lieutenant and treasurer; Charles Larsen was made second lieutenant; and Henry Rentner was elected secretary.

Marianne's of Antioch has donated a complete ensemble for the two winners of the Chain O' Lakes beauty queen contest.

Former resident of Antioch are among the 25,000 missing stockholders now being sought so they may receive accumulated dividend checks. Many believe the stock they hold is worthless and make no attempt to collect on it. One person papered a room with them, and when he learned their value, cut out a part of wall producing the certificates that brought him a neat sum. The missing stockholders in this area are Alice C. Haynes, Lawrence A., Anna and Harold G. Hoffman all of Antioch.

Representing Antioch in the Chain O' Lakes Beauty Queen Contest are Shirley Ross, Ramae Beedle, Mary E. Campbell, Adella Rentner, Lois E. Quigley, Yvonne Lux, Marlene Nader, Joan Conrad, Sally Joan Flint and Jackie Schroeder.

10 YEARS AGO: MAY 8, 1969

The annual Bausch & Lomb Honorary Science Award was presented to Fred Fetting, III of Antioch High School. The B&L Award is especially significant. It makes possible recognition of the outstanding senior student having the highest scholastic standing in science subjects.

Tuition for the fall term at the College of Lake County has been announced. The fee for residents of Jr. College District 532 will be \$7 per semester hour, with a maximum of \$105 per semester.

Congratulations to Prom King Kevin O'Neill, and his Queen Alana Nelson and their court, Donna Harvey, Sally Krieger, Judy Meyer, Karen Schleusener, Terry Triplett, Mark Taylor, Mike Ring, Dave Rogers and John Prosise.

Mrs. John Horton, Jr., of Antioch entry of a gourmet recipe qualifies her for competition in the Grand Awards Cook-off in Waukegan later this month.

JANET LUBKEMAN AND ERIC GAYLOR

Janet Lubkeman wears dress made by mother

Janet Lubkeman of rural Antioch, daughter of Erich and Nora Lubkeman was married April 14 to Eric Gaylor, a native of Penn Yan, N.Y. at Faith Evangelical Lutheran Church in Antioch.

Miss Lubkeman is a 1975 graduate of Antioch Community High School, was employed as a secretary at Great Lakes Naval Base. Her husband is an electronics technician employed by the U. S. Navy. The groom's parents are George and Ernestine Gaylor of Penn Yan, N. Y.

Rev. Darald Guerin administered the double ring ceremony. Maid of honor was Dianne Lubkeman, Antioch, sister of the bride and Jody Patrovsky was also in the wedding party. Best man was Michael Madison and Garry England also participated in the ceremony.

Ushers were Erich Lubkeman, Jr. and David Horton. The bride wore a dress designed and made by her mother made of satin crepe empire style accented by Venice lace and daisy trim. The headpiece was of Venice lace with daisy trim, and a three tier veil.

The reception was held at Paty's Lounge in Antioch. The couple are now making their home at Virginia Beach, Va.

Heart Assn. urges blood pressure tests

Don't be among the silent majority. Know your blood pressure reading by having it measured during May, designated National High Blood Pressure Month by the American Heart Assn.

Nearly 34 million Americans suffer from high blood pressure (hypertension), a condition that may eventually lead to heart failure, kidney failure or stroke, if it is not controlled, the Heart Association said.

"Everyone has blood pressure. It is the force of the blood placed on the vessel walls as the heart pumps blood through the vessels. Blood pressure varies from person to person, day to day and moment to moment.

"Yet when blood pressure is high, stays elevated and is untreated, it can be a killer," explained Bonnie Johnson, R.N., volunteer with the Heart Association of Lake County.

During May, the Heart Assn. of Lake County, local representative of the American Heart Assn. and a division of the Chicago Heart Assn., encourages everyone to have their blood pressure checked.

"Know what your blood pressure is and have it checked periodically to be sure it does not rise and remain elevated. The causes

of high blood pressure are now known, but once identified, high blood pressure can usually be brought under control.

"Most patients have no unusual symptoms, so the only way to find out if it's high is to have it measured," Mrs. Johnson, chairman of the Blood Pressure Screening Committee, said.

The Heart Association of Lake County operates free blood pressure testing sites throughout the area staffed by Heart Association volunteers trained in measuring blood pressures.

For additional information about high blood pressure or to find the locations of testing sites in your area, contact the Heart Association of Lake County, 229 South Green Bay, Waukegan, or call 244-1210.

Nuclear incident— are we safe?

On May 16, Bob Flint of Commonwealth Edison Co. will appear at the Antioch Township Hall on East Rte. 173 at 8 p.m.

Anyone in the community who is interested may attend. This meeting is sponsored by the Antioch Republican Club for the benefit of the community.

His subject is one in which there is national interest and we will answer all questions possible.

Refreshments will be served after the meeting by the club members.

Turn your home into an energy conservation machine. With a heat pump.

Instead of burning scarce fuels, the heat pump uses electricity to capture heat from a limitless energy source. The sun.

Even on cloudy, cold winter days, there's still solar heat in the air. The heat pump captures this heat and pumps it to where it can be used.

It's the most practical, efficient heating and cooling system you can install today. And it's dramatically changing the way we use energy.

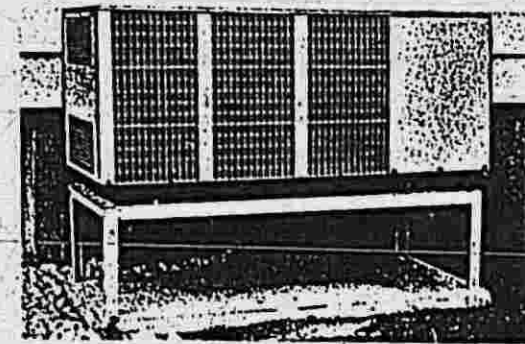

Turns heat energy outside in and inside out.

The same principle that makes the heat pump work is already at work in your home inside your refrigerator. In fact, a heat pump is a lot like a refrigerator.

There's an indoor unit that consists of a coil and fan. There's an outdoor unit that consists of a coil, fan and compressor. Piping connects them. Inside the system, a refrigerant circulates, "carrying" the heat from inside out and outside in.

In winter, the refrigerant in the outdoor coil absorbs solar heat, is compressed and pumped inside. The heat comes out to keep you warm.

The warmer the outdoor temperature, the more heat there is to be transferred.

The energy-smart heat pump is installed on the outside of the home and is about the same size as a conventional central air conditioning unit.

But as the temperature goes down, there's less heat available. The heat pump is then automatically supplemented with electric resistance heaters.

In summer, the process is reversed. Warm air inside the home is blown over the indoor coil. The refrigerant absorbs this heat, is pumped outside, then condensed. The heat comes out, leaving you cool. And the unit filters the air and dehumidifies, too.

Commonwealth Edison
Working for you.

New postal standards effective July 15

"Use up your small and undersized envelopes and cards before July 15," Postmaster Wayne Van Heirseel reminds customers. That is the date when the Postal Service's new size standards become effective.

The Antioch postmaster said that after July 15, envelopes and cards measuring less than three and a half inches high or five inches long will be returned to the sender if mailed.

Postmaster Van Heirseel said that because the envelope and greeting card industries have had more than

three years to prepare for the new standards, few retailers should still be selling undersized pieces.

"Many consumers, however, are likely to still have smaller envelopes and cards in their supply of stationery," Van Heirseel said.

The regulations also prohibit flimsy cards. In the future they must be at least seven-thousandths (.007) of an inch thick. An official postal card, for instance, has a thickness of nine thousandths of an inch.

Undersized pieces and

flimsy cards are being banned because they can become trapped in other mail, tear and jam mail processing machinery.

The standards also affect oversized and odd-shaped pieces of mail, Van Heirseel said. For first-class mail weighing one ounce or less, there will be a surcharge of seven cents for pieces more than six and one-eighth inches high or 11½ inches long.

For more information, the postmaster suggests customers check with a post office window clerk.

ANTIOCH NEWS Presents A Patriotic Special!

As a special patriotic holiday reader service for Memorial Day and July 4, the Antioch News offers this beautiful American home flag kit at a below cost price when purchased in combination with a new or renewal subscription at regular \$6.50 per year rate. Entire package is only \$11.95. That's 52 issues of your favorite hometown newspaper plus a flag kit—both for an unbelievably low \$11.95.

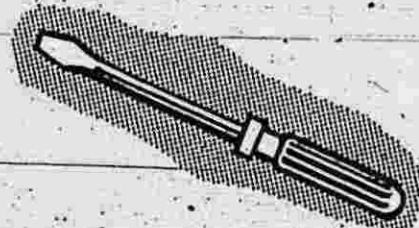

Both Flag and 52 Issues... \$11.95
Flag Cost When Purchased Alone \$10.95

KITS CONTAIN:

Kit contains 3'x5' American Flag of 100% cotton, color-fast, with sewn stripes; jointed gold-metal pole; Eagle pole ornament; permanent finish metal bracket; halyard; all packed in convenient storage carton.

ADDED BONUS

Flag Kit contains FREE screwdriver to assist in mounting bracket for flag.

**52 Issues Of
Your Favorite Hometown
Newspaper Plus...**
An Attractive American Flag Kit
**When you subscribe or renew your
Antioch News Subscription.**

Subscription — Flag Order Form

Gentlemen:

I would like to take advantage of your combination subscription-American Flag Kit offer. I am enclosing \$11.95 for 52 weeks delivery of the Antioch News plus a flag kit. I am a new present subscriber (Please check)

I understand that I must pick up my flag at the newspaper office during normal business hours. Sorry, at this low price, flags cannot be mailed. I understand further that flags must be picked up by June 16, 1979. Offer good on orders received between May 10, 1979 and June 16, 1979. Allow 3 days for processing.

South Pacific opens at ACHS

The Antioch High School Drama department will present the Rogers & Hammerstein musical, "South Pacific" on May 10, 11, 12 and 13 in the high school auditorium.

The musical, directed by Ken Smouse, stars Lori Jo Rush and Jennifer Beese in a double cast part as Ensign Nellie Forbush. Both Lori and Jennifer are products of Studio Theater, a gifted program at the high school and have also been involved in many high school and community theater productions.

Lori starred in "Scapino" last spring, and Jennifer was last on stage in the Fool's Players production of "Godspell." She was also Adelaide in "Guys and Dolls" at the high school last year.

Emile de Beque is played by Dino Braglia, another familiar face in the high school theater department. He appeared as Geronte in "Scapino" and was Nicely-Nicely in "Guys and Dolls."

Other lead and feature roles include Ken Niese as Luther Billis. This is Ken's first lead in a high school production, although he has had many supporting roles.

Lt. Joseph Cable is played by Keith Boehm, an all-around actor, singer, and stagehand. Keith has also worked on set and lighting for this production. He also appeared in "Godspell" last spring.

Bloody Mary is played by Andrea Kleban, and her daughter, Liat, is played by Patti Gross; by no means a newcomer to the high school stage, having appeared in "West Side Story," "Guys and Dolls," and studio theater productions.

Musical direction is in the able hands of Tracy Teltz Kiederlein, and the pit combo is being organized by Ralph Brooke, vocal instructor. Stage managing and set design is under the direction of senior Debbie Boehm. Debbie is a talented art student, having won Best of Show for her set design of "West Side Story" at the 1977 Art Show, coordinators said.

Curtain time for all four shows will be 7:30 p.m. Tickets are available in advance from members of the cast, and from Mr. Smouse. Tickets are payable at the door, and constitute a seat reservation only. Admission is \$2.50 for adults and \$1.25 for students.

Happening

"Lake County Naim invites widowed persons to their meeting at 2 p.m. on Sunday, May 20, at Our Lady of Humility School Hall, Zion.

A representative from Prestige Travel Inc. will give a presentation on a trip to Rome. Reservations will be taken for a trip to Holy Hill in June. For further information contact Frank Drang, 662-1725."

Special Ed kids can stay in library

by BEVERLY CARY

"Special Ed students will remain at the Antioch Lower Grade School for one more year," declared Supt. Skidmore, at last Tuesday's meeting of the board of education.

Parents of four students attended the meeting to discuss the problems their children would have if they were transferred. The board then decided to rescind their plans and allow the students to remain at the Antioch Grade School for the coming year.

The students presently occupy the library at the Grade School and it was decided to keep the classes where they are and run a partial library from a classroom next year.

In other action, the board decided to approve a summer band program for fourth through eighth graders.

The school has purchased two libraries from the Elk Grove School District 59, including 11,000 books, plus card catalogs and complete shelving, at a cost \$20,000. Skidmore was very happy about this purchase and said it was an excellent value.

The board approved spending of \$9,000 for a security system for the new W.C. Petty School. Skidmore also presented his preliminary budget for the new school.

Commenting on the kindergarten enrollment totals which are: Channel Lake 7, Antioch Grade 38, and Oakland 69, Skidmore said this is the lowest pre-registration they've had, but he isn't concerned that it is significant.

Women Of The Moose announce new board

by JUDITH PAGE

Senior Regent Judith Kelly and chairman Ann Byczek sponsored two new co-workers at the May 3 meeting of the Women of the Moose. Eleanor Walsh and Patricia Tarra were welcomed by 35 members.

Friendship Chairman Florence Ahrens announced at the next meeting, May 17,

the special ring ceremony for those receiving the Friendship Degree at Mooseheart, Sunday, May 6, would be held. Ritual practice for the ceremony for all friendship members, the recipients and their aids will be held Monday, May 14th at 7 p.m. at the Moose Home.

Senior Regent Judith announced the nominations for the 1979-1980 board of officers. Senior regent Mary Galster; Recorder Norma Lowe and Anita Wisniewski; Junior Regent Sherrie Lovell; Chaplain Louise Gutowski; Treasurer Helen Lovell. Voting for recorder will be held May 17 starting at 7:30 p.m. at the Moose home.

June 2 a bus for Mooseheart will leave the lodge at 7:30 a.m. On this day, past regent Norma

Lowe will receive the coveted degree of College of Regents in the field house at Mooseheart. Senior Regent announced the cost per person would be \$2 to help defray the cost of the bus. Any members and guests wishing to tour Mooseheart while the session is being held, may see the senior regent and reserve space on the bus.

A special enrollment meeting will be held June 7 in honor of those co-workers who have been members for 25 years or more. Special invitations are being sent to all honored members.

Sixty-five members have purchased tickets for the honorary dinner being held May 10th. The men of the loyal order will serve the ladies their meal and an awards program will follow.

New written test for Illinois drivers

A new, more comprehensive written test for Illinois drivers license applicants has been launched, Alan J. Dixon announced.

In the past, Illinois drivers have been required to take a written test consisting of 10 multiple-choice questions and identification of 10 road signs.

The new test, Secretary of State Dixon said, will require the potential motorists to answer 20 questions, selected by the Examiner from a master list of 40 questions, and also identify 15 road signs by shape.

A score of 28 correct answers out of the 35 questions is a passing grade.

"We have re-evaluated the drivers license examinations in Illinois, putting the emphasis on driver safety," Dixon said. "The new test has been restructured to show our examiners how a driver might react in any situation."

"A committee headed by Driver Services Director William F. Logan revised the test in consultation with other states," Dixon said.

Release of the new tests has been timed with the depletion in stock of the old test, so there will be no waste.

"We have felt for some time that a couple of questions in the old test might have been innocuous

and even misleading," Dixon said.

This question for example: If the speed limit is 55, and you are driving 45, you could be violating the speed law if...

The answer: You are driving too fast for conditions.

"However, the question does not explain that it might be icy, or snowing, or raining, to make a slower speed obligatory," Dixon said.

That question has been eliminated from the new test.

"Our new test is more comprehensive and up to date," Dixon said. "It is a good review of proper driving procedures."

Appliance program scheduled

Wondering what the new kitchen appliances are this year? The University of Illinois Cooperative Extension Service is sponsoring a program entitled Have Your Cake and Eat It Too!

Janet Weaver, equipment specialist will present this program on small appliances on Monday, May 21, from 9:30 a.m. to 1:30 p.m. and again at 7:30 to 9:30 p.m. It will be held at the Extension Auditorium which is located three-fourths mile north of Rte. 120 on Rte. 45 near Grayslake. Please call 223-8627 to register and specify whether you will attend the morning or evening session.

This program is a must for those of you who want to know what are the features of some of the popular small appliances as well as those of you who are concerned about saving energy. Pizza bakers, slow cookers, hot air popcorn poppers, food processors, electric fryers, toaster ovens, sandwich cookers, convection ovens, miniature deep fryers, and drip coffee makers will all be discussed. Perhaps you can decide on that perfect gift for Mother, the high school grad, or the June bride!

Start planning now for vacations

Now is the time to start intelligent planning for that summer vacation you've been looking forward to all winter, according to the AAA-Chicago Motor Club.

In planning your vacation, the AAA-CMC touring dept. suggested the following:

- Have a general idea of areas you would be interested in visiting.

- Decide on the dates and the length of your stay especially if you are considering vacationing at one of the country's National Parks. Since their season of operation is during the summer months, it is important to make reservations well in advance.

- Evaluate your possible destinations, keeping in mind the comparative costs of gasoline, hotels, meals and other major expenses.

- Consider asking your mechanic to look at your automobile several weeks before you leave. You could avoid facing a major expense at the last moment.

If you're one of those who is thinking about going overseas:

- Know how much time you will have to travel. Many tour programs and special air fares require advanced booking.

Jack Winter

Mom's The Word

And here's the perfect gift for Mom, from Jack Winter's America the Beautiful collection. The up way to dress down. An exciting group of related separates from \$17 to \$46 in sizes 8-16. It's a new kind of stretch denim with a new kind of fit, in brown. Mom will love it. And free gift wrap, too!

Women Of The Moose announce new board

by JUDITH PAGE

Senior Regent Judith Kelly and chairman Ann Byczek sponsored two new co-workers at the May 3 meeting of the Women of the Moose. Eleanor Walsh and Patricia Tarra were welcomed by 35 members.

Friendship Chairman Florence Ahrens announced at the next meeting, May 17,

the special ring ceremony for those receiving the Friendship Degree at Mooseheart, Sunday, May 6, would be held. Ritual practice for the ceremony for all friendship members, the recipients and their aids will be held Monday, May 14th at 7 p.m. at the Moose Home.

Senior Regent Judith announced the nominations for the 1979-1980 board of officers. Senior regent Mary Galster; Recorder Norma Lowe and Anita Wisniewski; Junior Regent Sherrie Lovell; Chaplain Louise Gutowski; Treasurer Helen Lovell. Voting for recorder will be held May 17 starting at 7:30 p.m. at the Moose home.

June 2 a bus for Mooseheart will leave the lodge at 7:30 a.m. On this day, past regent Norma

Lowe will receive the coveted degree of College of Regents in the field house at Mooseheart. Senior Regent announced the cost per person would be \$2 to help defray the cost of the bus. Any members and guests wishing to tour Mooseheart while the session is being held, may see the senior regent and reserve space on the bus.

A special enrollment meeting will be held June 7 in honor of those co-workers who have been members for 25 years or more. Special invitations are being sent to all honored members.

Sixty-five members have purchased tickets for the honorary dinner being held May 10th. The men of the loyal order will serve the ladies their meal and an awards program will follow.

New written test for Illinois drivers

A new, more comprehensive written test for Illinois drivers license applicants has been launched, Alan J. Dixon announced.

In the past, Illinois drivers have been required to take a written test consisting of 10 multiple-choice questions and identification of 10 road signs.

The new test, Secretary of State Dixon said, will require the potential motorists to answer 20 questions, selected by the Examiner from a master list of 40 questions, and also identify 15 road signs by shape.

A score of 28 correct answers out of the 35 questions is a passing grade.

"We have re-evaluated the drivers license examinations in Illinois, putting the emphasis on driver safety," Dixon said. "The new test has been restructured to show our examiners how a driver might react in any situation."

"A committee headed by Driver Services Director William F. Logan revised the test in consultation with other states," Dixon said.

Release of the new tests has been timed with the depletion in stock of the old test, so there will be no waste.

"We have felt for some time that a couple of questions in the old test might have been innocuous

and even misleading," Dixon said.

This question for example: If the speed limit is 55, and you are driving 45, you could be violating the speed law if.

The answer: You are driving too fast for conditions.

"However, the question does not explain that it might be icy, or snowing, or raining, to make a slower speed obligatory," Dixon said.

That question has been eliminated from the new test.

"Our new test is more comprehensive and up to date," Dixon said. "It is a good review of proper driving procedures."

Appliance program scheduled

Wondering what the new kitchen appliances are this year? The University of Illinois Cooperative Extension Service is sponsoring a program entitled Have Your Cake and Eat It Too!

Janet Weaver, equipment specialist, will present this program on small appliances on Monday, May 21, from 9:30 a.m. to 1:30 p.m. and again at 7:30 to 9:30 p.m. It will be held at the Extension Auditorium which is located three-fourths mile north of Rte. 120 on Rte. 45 near Grayslake. Please call 223-8627 to register and specify whether you will attend the morning or evening session.

This program is a must for those of you who want to know what are the features of some of the popular small appliances as well as those of you who are concerned about saving energy. Pizza bakers, slow cookers, hot air popcorn poppers, food processors, electric fryers, toaster ovens, sandwich cookers, convection ovens, miniature deep fryers, and drip coffee makers will all be discussed. Perhaps you can decide on that perfect gift for Mother, the high school grad, or the June bride!

Start planning now for vacations

Now is the time to start intelligent planning for that summer vacation you've been looking forward to all winter, according to the AAA-Chicago Motor Club.

In planning your vacation, the AAA-CMC touring dept. suggested the following:

- Have a general idea of areas you would be interested in visiting.
- Decide on the dates and the length of your stay especially if you are considering vacationing at one of the country's National Parks. Since their season of operation is during the summer months, it is important to make reservations well in advance.
- Evaluate your possible destinations, keeping in mind the comparative costs of gasoline, hotels, meals and other major expenses.
- Consider asking your mechanic to look at your automobile several weeks before you leave. You could avoid facing a major expense at the last moment.

If you're one of those who is thinking about going overseas:

— Know how much time you will have to travel. Many tour programs and special air fares require advanced booking.

Jack Winter

Mom's The Word

And here's the perfect gift for Mom, from Jack Winter's America the Beautiful collection. The up way to dress down. An exciting group of related separates from \$17 to \$46 in sizes 8-16. It's a new kind of stretch denim with a new kind of fit, in brown. Mom will love it. And free gift wrap, too!

FFF Center plans wine tasting party

The Antioch Fun, Food and Friendship Center welcomes everyone 60 years old and over, with spouses of any age.

The center, operated by Catholic Charities, is located at the Scout House, 741 Main St., Antioch and is opened Monday, Wednesday, and Friday, from 9 a.m. until 2:30 p.m. The center telephone number is 395-2191.

While meals are served at noon, a variety of programs and activities are provided. For transportation, call the Chaplaincy Service, 24 hours in advance at 395-5162.

The following are activities scheduled for the week of May 11-May 16:

Friday, May 11 — 11 a.m., Fox Valley Home Health Service and information and referral; 1 p.m., pinocle tournament.

Monday, May 14 — a wine tasting party will highlight the celebration of Mother's Day.

Wednesday, May 16 — 11 a.m., blood pressure; 12:45 p.m., officers meeting.

Happenings

"Protection through Prevention," a one-day industrial seminar sponsored by the College of Lake County's department of fire science technology, will be held from 8:30 a.m. to 4 p.m. Wednesday, May 23.

The seminar will be held at the main campus of CLC in Grayslake in the Blue Lecture Hall.

Old cars come to Lakehurst

"It's a fascinating hobby, once you start, though, you can't stop," said Bill Bunnell, coordinator of the Model A Car Show and an exhibitor at the show at the Lakehurst Shopping Center, Rte. 120 and Waukegan Rd., Waukegan. Hours for the exhibit are 10 a.m. to 5:30 p.m. on Saturday, May 12, and noon to 5 p.m. on Sunday, May 13.

The cream of the car crop

will be displayed in the arcades and malls of the center. The show is sponsored by the Chain-O-Lakes Model A Club. Members come from Antioch, Waukegan, Zion, Crystal Lake, Mundelein, Highland Park, Lake Villa and many other lake region towns.

Club members travel all over the United States to attend national conventions of Model A owners. "We're off

to Louisville next summer," said Bunnell. "We drive our cars along the super highways and let the world pass us by. We have a great time."

The Model A Fords were built from 1928 thru 1931 and are a favorite with collectors. Bunnell reports that there are five million restored Model A's, more than all other restored autos put together. Nostalgia has

swept the country like a tornado and cars are no exception.

A special feature of the show will be the "Barthyard to Beauty" segment of the exhibit. In this area, cars are shown as they are found in the barnyards of America and then cars taken step by step until they are fully restored, bright and shiny as a new penny.

Zion Festival events slated

After record crowds for the 1979 Ice Show and Showcase 79, the 1979 Trade and Home Show, the Zion Park District is gearing up for the final three presentations of Festival '79.

Tickets are now on sale for Morey Amsterdam and the Harmonicats, Cooky the Clown from Bozo's Circus, and Lawrence Welk's Norma Zimmer.

ON MAY 12 at 8 p.m. Morey Amsterdam and the Original Harmonicats will appear for one performance. Morey Amsterdam, who portrayed "Buddy" on the Dick Van Dyke Show for many years, has planned an exciting evening of entertainment with Jerry Murad's Original Harmonicats. Group rates are available for this show.

Next in the line-up is a 1 p.m. matinee show May 19 starring Cooky the Clown from Bozo's Circus. Roy Brown, as Cooky the Clown, has delighted audiences at the Festival since its beginning. Cooky's show is a delightful presentation featuring various circus, comedy, and animal acts, a special treat for all ages.

At 8 p.m. on May 19, Lawrence Welk's Norma Zimmer returns. Mrs. Zimmer is dedicated to presenting the best in sacred and secular music. Last year Mrs. Zimmer thrilled a crowd of over 1,500 in an evening of music. Group rates are also available for this performance.

All performances will be held at the Zion Leisure Center-Ice Arena, 2400 Dowie Memorial Dr., Zion.

For ticket information, call Zion Park District at 746-5500. For group rate (over 20) information contact Bob Stried at 746-5500.

"Get LUMBER-SCAPING."

by Sam Kilman
The Outdoor Woodsman

"It's done with beautiful, easy-working, long-lasting Outdoor® Wood.

It's maintenance-free fences, walkways, planters and benches.

And summer houses for all seasons.

And decks, patios, or porches that never need painting.

Getting started is as easy as getting down to your lumber dealer's for my free Outdoor Woodsman building plans. And, of course, the Outdoor Wood you'll need to build 'em.

Outdoor Wood is the ideal wood for anything you build out-of-doors. It's deep pressure-treated with Wolman® preservatives to protect itself against rot and termites. For a lifetime.

You can stain or paint it, if you want to. But, if you don't want to, the wood will weather to a natural gray that blends in beautifully with your landscaping.

That's lumber-scaping. And that's living."

"Get the real thing. Be sure the lumber you buy is stamped 'Outdoor Wood'."

Nurses, males needed for special camp

Approximately 50 muscular dystrophy patients who were planning on attending the Bob Kennedy Muscular Dystrophy Summer Camp in June won't be able to go this year due to a critical lack of registered nurses and male volunteers.

Camp officials said they still hope to find enough volunteers by opening day, June 16.

Registered nurses are needed to assist the doctor who mans the health station around the clock. Volunteers are needed, one for each camper, to help patients swim, go boating, ride horses and participate in all of the other camp activities.

For many of the muscular dystrophy victims this is a rare opportunity for outdoor recreation.

This year, a week of summer fun has been assured for more than 90 patients by the enlistment of an equal number of volunteers. At capacity, however, the camp can accommodate 150 patients.

Those interested in volunteering can choose between two camp sessions, June 16-23 or June 24-30. Volunteers must be between the ages of 16 and 30. No experience is necessary.

A 24-hour answering service will take calls at 463-0507 or the Muscular Dystrophy Assn. office will answer between 9 a.m. and 5 p.m. at 427-0551.

A suburban telephone number during working hours is: 495-1155 for Lake and DuPage Counties.

County museum plans 'Fiber To Fabric' Exhibit

The Lake County Museum will be joining museums around the world in celebrating the second annual observance of International Museum Day, May 18.

I.M.D. has been designated by the International Council of Museums to convey the importance of the museum's role as a means of cultural exchange, enrichment of cultures and the development of mutual understanding among peoples.

In observance of this day, the Lake County Museum will open a new exhibit, "Fiber to Fabric, Traditional Textile Processes." On Sunday, May 20, from 1 to 4:30 p.m., demonstrations of these techniques will be held using elements of the exhibit.

The processes of fabric construction had its beginning in ancient times, dating back to at least 3,000 B.C., using the fibers of cotton, wool and flax.

Until the 20th century, these three natural fibers were the

primary sources of fabric. With the advent of machines, the natural process gave way to man-made and synthetic woven fibers. Man-made fibers, according to John Skau, museum conservator, are "like a breath in the total life of fabrics, being mere infants in the history of fabric construction."

"Fiber to Fabric" deals with the basic processes, fiber preparation, spinning, dyeing and weaving. Each step is illustrated, using the tools needed to take the fiber from its natural state, either plant or animal, to the finished product-fabric.

Highlighting the collection of implements is an 1850 two-harness floor loom styled after the early northern European looms. This loom was a recent acquisition donated by Mrs. Thomas Bigford of Lake Forest.

The Lake County Museum is located in the Lakewood Forest Preserve, seven and one-half miles west of Mundelein on Rte. 176.

Gas prices up sharply

Prices have risen sharply for all grades of full-serve gasoline in the last four months, according to the AAA-Chicago Motor Club.

The AAA-CMC's latest Fuel Gauge report shows that average prices have jumped by more than nine cents a gallon during the first four months of 1979 in Chicago and Cook County, downstate Illinois and northern Indiana.

The latest AAA-CMC bi-weekly report shows that the average price of full-serve regular gasoline in Chicago and Cook County rose 1.7 cents the past two weeks to 84.6 cents a gallon. That represents an increase of 10.4 cents since the first of the year.

Full-serve premium gasoline rose 0.9 cents during the last two weeks to an average of 92.7 cents, an increase of 10.9 cents since the first of the year.

Gosmic Signs

AQUARIUS

(January 20 - February 18) Disagreements could arise once more concerning money or joint affairs. You may be under some illusions regarding the soundness of interesting proposals.

PISCES

(February 19 - March 20) Missed appointments, misunderstood conversations and misplaced documents could leave even the best-laid plans up in the air.

ARIES

(March 21 - April 21) Changeable orders from superiors or continued interference on the part of the rest of the world make for frustrations and disappointments.

TAURUS

(April 22 - May 21) Emotional, material and fiscal tensions could get you down—even to the point of affecting your health. It's time for a rest.

GEMINI

(May 22 - June 21) Work and financial interactions smooth out and go your way for a change!

CANCER

(June 22 - July 23) Mutual goals, if discussed with closest ties, are within reach. Be careful of financial impulsiveness.

LEO

(July 24 - August 23) Past strains in close ties could come up for review—rather heated in some cases. You may be called about a promise you made and completely forgot about.

VIRGO

(August 24 - September 23) Details could tie you up in knots, frustrate your social or business aims. Absentmindedness spells confusion.

LIBRA

(September 24 - October 22) Moodiness, vulnerability, indecision and argumentativeness make for touchy situations. Keep your cool anyway.

SCORPIO

(October 23 - November 22) It may be necessary for you to yield and compromise, or back off temporarily, in something you feel rather strongly about.

SAGITTARIUS

(November 23 - December 22) It pays dividends to fight for something rather than being fanatically opposed to something.

CAPRICORN

(December 23 - January 19) Magnetic romantic conditions enchant you at this time. A relationship in which you are involved is taking positive steps forward.

FINANCIAL NEWS

by
Phil Schaub

Last week, we discussed add-on interest. This week, I want to talk about simple interest, the kind used on most mortgages. Part of each mortgage payment is principal, part is interest. Of course, most of our mortgages include an escrow payment for taxes and insurance in addition to the principal and interest. The escrow part of our payments doesn't affect the interest calculations at all. Simple interest is calculated each month based on the principal remaining at that point. It is not figured in advance like add-on interest. For example, if you borrowed \$50,000 at 10 per cent for 29 years to buy your house, your payment, without taxes or insurance, would be \$441.24. Your first payment would be \$416.67 interest and \$24.57 principal. Each month after that, calculate the interest on the unpaid balance and whatever's left over of the \$441.24 is applied to principal. To figure the interest, you first figure one year's interest on the principal (\$50,000). 10 per cent of \$50,000 is \$5,000. Divide the \$5,000 by 360. This gives you one day's interest on \$50,000 at 10 per cent per year (\$13.88889). Multiply this by 30 and you have one month's interest on \$50,000 at 10 per cent per year (\$416.67). The full payment minus this interest is the principal payment for the first month (\$24.57).

For the second month's payment, you use the same method, but you only have \$50,000 minus \$24.57 as the principal remaining. The second month's payment in this example would be \$416.47 interest and \$24.77 principal. This process is repeated each month until the principal is gone. In this example, I set the term at 29 years. To shorten the term, all we need do is increase the principal part of each payment. The interest calculations are the same. \$50,000 at 10 per cent for 29 years would have a payment of \$441.24. The first payment would be \$416.67 interest and \$24.57 principal. \$50,000 at 10 per cent for 25 years would have a payment of \$454.35. The first payment would be \$416.67 interest and \$37.68 principal. \$50,000 at 10 per cent for 20 years would have a payment of \$482.51. The first payment would be \$416.67 interest and \$65.84 principal. You can actually get a mortgage approved for 29 years, but make payments as if it was a 25 year loan. If you did that, the loan would be done in 25 years instead of 29.

Plan physicals for school, camp, sports

Here is your chance to get those school, sport or camp physicals for your child/children out of the way before the summer activities begin. Remember all students entering kindergarten, fifth and ninth grades and first graders who did not attend kindergarten require a complete school physical before the school year begins. Many camps also require physicals as do all sport involvements.

The Oakland P.T.F.K. is sponsoring a day of "physical examinations" on May 19 from 9 a.m. to 1 p.m. for only \$15 and \$12 for each additional child in the same family on a cash only basis. All proceeds will be donated to the Parents and Teachers for Kids organization.

Dr. Robert Barnes and his professional staff will be at the Oakland Grade School, corner of Grass Lake and Deep Lake Rds., to administer the physicals. Everyone will receive their physical and the waiting line will be fast moving.

To keep things moving quickly your help is required. You must bring your child's physical form filled out and a urine specimen. We ask that the parent and patient only come so we can maintain efficient operation.

The immunizations that will be available the day of the physical are the DT, DPT and oral polio vaccine. This is included in the price of the physical. Any other immunizations that are necessary will be arranged by appointment with Dr. Barnes' office, or doctor of your choice.

Don't forget to mark May 19 on your calendar and have your child's physical out of the way and ready for the coming school year, camp or sport involvement.

TOP BOWLERS — Junior boys who were awarded trophies in family twosome competition at Antioch Bowl, were, front row left, Mike Hill and Mark Maglio; back row left, John Drinkwine, Rick Nelson and George Bellefeuille.

Names in the NEWS

Airman Michael M. Bell, son of Mrs. Nannetta Fisher of 335 Terry Dr., Lake Villa, has graduated at Sheppard AFB, Tex., from the U.S. Air Force technical training course for aircraft maintenance specialists.

Airman Bell, who was trained to maintain, repair and service aircraft currently in use by the Air Force, is being assigned to Reese AFB, Tex., for duty with a unit of the Air Training Command.

Completion of the course earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

The airman, a 1975 graduate of Cary Grove High School, Cary, attended the College of Lake County in Grayslake. His father, Martin Bell, resides in Crystal Lake.

Hearing, vision clinic set

A combined immunization, hearing and vision screening clinic will be held on Wednesday, May 16, at the St. Peter's Church Hall, 557 Lake St., Antioch.

This free clinic will be open from 9 a.m. to 11:30 a.m. Appointments are not necessary. A parent or guardian must accompany all children.

In addition to having their children immunized, parents are urged to have their children's hearing and vision tested, Lake County Health officials said.

Early identification of possible hearing and vision problems may prevent medical and/or learning disabilities.

Children with possible hearing and vision problems will be referred to appropriate resources so that corrective measures may be prescribed.

For additional information call the Hearing and Vision Program, Lake County Health Department, 689-6713.

TROPHY WINNERS — Prep girls who won trophies in family twosomes competition at Antioch Bowl included, first row left, Susan Steiskal and Kandi Portalski; back row left, Chris Mahr, Tammy Doolittle and Maryann Drinkwine. Not pictured is Tracy Fahrner.

FIRST PLACE WINNERS — Winning first place in state bowling competition in Niles were Antioch Bowl champs Rich Nelson and Debby Bellefeuille.

Frosh Sequoits defeat Grant

In their most important game to date, the Freshmen Sequoits beat the Grant Bulldogs 5-1. Antioch was paced by the five-hit pitching of John Haling and the timely hitting of Rick Bernet and Mike Schueneman.

With the bulk of the conference season left to play, the Sequoits hope to improve on their 3-2 record within the NWSC and 5-6 record overall.

Leading hitters in the first eleven games have been Bob Gatti at .500, Rick Bernet at .476 and Mike Goefron at .421. Most of the power has been supplied by Carl Amundsen, John Haling, Mike Schueneman, and "little" Dan Ropa.

Pitching, which figures to be this team's strong suit, has been paced by John Haling, Carl Amundsen, Rick Bernet, Bob Gatti and Chris Willems.

Other members of the 1979 squad include Jeff Berchtold, Mike Cheverette, Steve Crutchfield, Chuck Duha, Ed Jorgensen, Chuck Payne, Rick Ranney, Cary Scharlau, Steve Sheedlo, Dave Walsh, and Joe Weber.

OFF AND RUNNING—Antioch High School's Nancy Harland is off and running during Northwest Suburban Conference girl's conference track meet at Stevenson High School. Nancy led for most of the way in the mile

run, only to end up finishing second. Her father Dick Harland stands by with stopwatch to aid in daughter's efforts.

Waukegan sets race schedule

The Waukegan Speedway will host the first annual Midwest Late Model Stock Car Challenge "Shoot-out" on Tuesday, June 12. The 50-lap main event will pay \$1,000 to win and \$7,000 will be up for grabs.

Dave Watson, veteran short track driver who also races NASCAR and USAC will be a guest-of-honor for the event along with USAC driver Bay Darnell who currently ranks second in the USAC Stock Car Division standings. Both drivers will be available to sign autographs and talk racing with the fans.

Early entries for the big event include two-time defending Waukegan Champion Don Collins; 1978 Rookie of the Year Ron Shearer; Larry Roebuck; "The King of Clay", Tony Izzo; and Ed Schubert.

A full race program of hobby stocks will be run in addition to the late model show. Drivers from three states have already expressed an interest in entering.

Advanced tickets are available at the Speedway for the limited seating.

This Saturday, May 12, the rock band Scoundral will be appearing live at Gas Up

Alley following the races. Sunday, Mother's Day, each lady will receive a free license plate frame.

A big Memorial Day weekend of speed is scheduled with three nights of racing. A late model and hobby show will be run May 26 along with Beat Your Neighbor. May 27 the late models will run in the Memorial Day "50" for double-championship points. May 28 will feature Super-Modifieds of the Interstates Racing Association in their first of three appearances at the Speedway. Hobby Stocks will run all three nights.

The Speedway is located ¼-mile east of Rte. 41 on Washington St. in Waukegan. For further track information or weather conditions, phone (312) 662-8200.

Sequoit netters shoot for conference

Last week Antioch's tennis team faced three conference foes beating them all 4-1. In each meet the loss came at third singles. Boro Reljic, Phil Rezin and Frank Skradski filled in for ineligible Tom Surrock at third singles.

Lake Zurich, on Tuesday, was the most improved team we've played all year, said Coach Halpern. Grant and Warren also have improved. The league with the exception of Grayslake and Round Lake is more competitive than it's ever been.

The varsity lost to a strong Waukegan East team on Friday 1-4 to bring their overall record to 10-3. This week Antioch plays Lake Forest, Grayslake and North Chicago and then goes to the Conference Meet Friday and Saturday at Grant.

The sophomore team moved its record to 12-1 by whipping Lake Zurich, Grant, Warren and Waukegan East — all by 5-0 scores. This sophomore team has shut out 11 teams! They are 6-0 in the conference and need one more win to capture their third consecutive Northwest Suburban Conference championship.

So far they have shut out every team in the conference. The varsity is 5-1 in the conference going into this week.

Dodd sweeps Wilmot racing

Waukegan's Darrell Dodd scored an unprecedented second consecutive clean sweep of the Super-Modified division at Kenosha County Speedway in Wilmot, Wis. Saturday.

Dodd's father, Junior, never scored a clean sweep at the Wilmot track in 25 years of racing.

The road was not any easy one for Dodd as he broke the track record of :16.42 on his first qualifying lap with a :16.25. The holder of the old mark, John Tierney of Lake Villa attempted to keep the mark by running a :16.23. Dodd came back with a :16.12 on his next lap to establish the new mark.

Dave Bliss and Dick Colburn both led before

Dodd took over following the second yellow flag period of the 25-lap main event. Colburn went on to place second with Bliss third.

Dodd also won his heat which earned him the sweep.

Dodd says that he will be back this Saturday night in an attempt to make it three in a row. He also says that he feels confident that he can turn a lap under 16 seconds within the next few weeks.

Duke Norton picked up his second late model sportsman feature of the season with his brother Sid second and fastest qualifier Jim Zwirdgas third.

Don Hauenstein, a hometown driver, won the Spectator Stock feature.

Try new energy audit

Add energy improvements to your home before you build an addition. The money you save can help pay for that new room, says Laurie Boom, Lake County Extension adviser.

Boom suggests you start with a home energy audit. The audit was written by the Illinois Institute of Natural Resources (INR) and is available from your local Cooperative Extension Service office. After you complete the audit, send it to the INR for their computers to analyze. Within three to five weeks you should have a computer-printed homeown-

er's report, says Boom.

It measures energy consumption in your home and tells you what improvements need to be made to cut fuel bills and how much they'll cost. The audit also tells you when you can expect to be paid back.

Laurie Boom says the audit is short, with easy-to-answer questions on your home's size and heating system. The number and style of windows and doors and the amount of insulation and weatherstripping in the home also help determine energy consumption.

For more information on the energy audit, contact

Laurie Boom at 223-8627.

These home energy conservation facts are from the University of Illinois Cooperative Extension Service in cooperation with the Illinois Institute of Natural Resources.

Berning is cited as 'Outstanding Legislator'

Sen. Karl Berning (R-Deerfield) has been named an "Outstanding Legislator" by the Illinois Conservative

Union. The Senator was given a rating of 90 per cent for his voting record for the 1978 session of the 80th

General Assembly.

The award was bestowed upon 31 members of the Illinois General Assembly who achieved a rating of 80 per cent or better. Legislators are rated following each legislative session on carefully selected bills in which a reasonable demarcation between the liberal and conservative position is clearly manifested.

The Illinois Conservative Union (ICU) is an Illinois not-for-profit corporation which is dedicated to the promotion of the principles of individual liberty and free enterprise through research and educational activities.

"I am grateful to the ICU for acknowledging my efforts to represent the people of the 32nd District. I believe my voting record reflects the majority sentiment of the district, sentiment that not only benefits my district but the entire state," Berning said.

Nation honors Viet veterans

A delayed "welcome home" is scheduled for Illinois' 423,000 Vietnam Era veterans during the week of May 28 to June 3. President Carter has declared the week as "The National Salute to Vietnam Era Veterans."

Donald R. Ramsey, director of the VA regional office in Chicago, says the one-time observance will be America's way of saying "thank you and welcome home."

"Unlike other wars where large groups of troops were brought home at the same time, military personnel completing their tour of duty in Vietnam returned home individually and became a part of civilian life almost unnoticed," Ramsey said. "This was true of those veterans who served only in the States or in other foreign countries."

Of the 423-thousand Illinois men and women who served in the 10-year-long Vietnam War, 140-thousand had a tour of duty in Vietnam. Of these, 26-thousand had also fought in Korea.

The state's regional office and five VA medical centers at North Chicago, Marion, Danville, Hines, and West Side and Lakeside in Chicago will hold special acknowledgement programs during the week.

State and city governments have been asked by the President to participate actively by having special programs to honor the Vietnam Era veteran.

All federal agencies and departments will place emphasis on the many benefits available to Vietnam Era veterans urging their use before they expire.

Max Cleland, the Vietnam veteran who heads the VA, has appealed to the news media to give recognition to these veterans during the week. He called on mayors and governors to issue proclamations for their individual localities.

Veterans service organizations throughout the state are planning special events to honor the Vietnam veteran during the period.

Happy Mother's Day

Editors Note: Two of our readers thought these poems, one for mothers and one for grandmothers, might be appropriate with Mothers Day just around the corner.

Tomorrow

by PATRICIA CHAPMAN

I'll call Mother tomorrow,
I've things to do today.
People to see, places to go —
Anyway, what is there to say?

Can't call Mother tomorrow,
God called Mother today.
Now I've regret and sorrow,
Mother — I had so much to say!

Grandma, I Love You

by DIXIE SPARKS

I'd like to tell you Grandma,
How much you mean to me.
I think about the times we've talked,
How special they would be.
It always makes me feel good,
When I sit and listen to you.
You have a special wisdom,
That God gives to just a few.
You always keep my secrets,
No matter what they are,
You feed me special goodies
You treat me like a star,
The times we looked at pictures
Of yours and Grandpa's life,
I loved the twinkle in your eyes,
Although you talked of strife,
You talked about the hard times
When you and Grandpa wed,
Somehow they seemed much better then
From all the things you said.
I love you dearly Grandma
In your very gentle way,
You're special and you're beautiful
There's so much I want to say,
If I could choose a Grandma
That is perfect, just the best,
You would be the one I'd choose
You pass "God's Grandma Test!"

RECEIVES AWARD — Seventh grader Laura Bowen at Antioch Upper Grade School receives an award from Jean Rockow, president of Antioch Woman's Club, for her Outstanding Achievement in Visual Art. Laura won the award through the 10th district of the Illinois Federation of Women's Clubs for her pastel tiger drawing. With her are Cathie Goodwin, far left, and Upper Grade Principal William Herbst. Laura's drawing is now being judged downstate and has a chance of being awarded a first prize.

OBITUARIES

Marjorie I. Grulich

Funeral services for Marjorie I. Grulich, 65, of Silver Lake, were held May 5 at the Silver Lake Community Baptist Church.

Mrs. Grulich died May 3 at home. She had lived in Salem for many years before moving to Silver Lake in 1966. She was a member of the Silver Lake Community Baptist Church and the Modern Woodmen of America.

Survivors are her husband, Fred; one son, Donald of Canyon City, Colo.; two daughters, Mrs. Richard (Gloria) Atwood of Gurnee and Mrs. Rose Rippin of Silver Lake; and three grandchildren.

Interment was in Liberty Cemetery, Trevor. Contributions may be made to the Silver Lake Community Baptist Church in her name.

Victor E. Busch

Funeral Mass for Victor E. Busch, 61, of Bristol, was said May 5 at St. Scholastica Church, Bristol.

Mr. Busch died May 2 at the Milwaukee County Hospital, Milwaukee, after a brief illness. He had been a lifelong resident of Kenosha County. He was a member of St. Scholastica Church and the Catholic Order of Foresters. He had worked for Regal China Co. in Antioch for the past 30 years as a ceramist.

Survivors are his widow, Margaret; one son, Gary at home; four brothers, Walter, Lee, Donald and Raymond, all of Burlington; and one sister, Mrs. Clara Brever of Kenosha. He was preceded in death by one sister, Lillian Riggs.

Interment was in the St. Scholastica Church Parish cemetery.

Carmen A. Capicotte

Private funeral services for Carmen A. Capicotte, 53, of Antioch, were held May 3 in Antioch.

Mr. Capicotte died May 1 in the Lake Forest Hospital. He had lived in Mundelein before moving to Antioch one and one-half years ago. He was a dental technician for the Chain O'Lakes Dental Lab in Antioch.

Survivors are his adopted son, Kevin Capicotte; one brother, James of Loves Park; and one sister, Rosemary Clawson of Hardin, Mont.

Theodore (Ted) Poulos

Funeral services for Theodore (Ted) Poulos, 83, of Antioch, were held May 3 in Antioch.

Mr. Poulos died May 1 at Victory Memorial Hospital, Waukegan. He was born in Greece and had lived in Antioch since 1927. He operated Ted's Candy Store for many years and later was a custodian of the Antioch Savings and Loan Assn. and the Antioch Post Office. He was a member of the Loyal Order of Moose Lodge 525, Antioch, and was a former member of the Antioch Lions Club.

Survivors are two sons, Thomas of Antioch and Peter of Stanford, Conn.; and nine grandchildren. He was preceded in death by his wife, Phyllis.

Interment was in Hillside Cemetery, Antioch. Contributions may be made in his name to the Antioch Rescue Squad or the American Cancer Society.

Small Business Week
is May 13 to 19

Small business has a new way to strengthen its voice in the Federal decision-making process - through the Chief Counsel for Advocacy in the Small Business Administration (SBA).

John L. Smith, Illinois district director of the SBA, said advocacy has two basic functions.

One is to ease the burdens that the Federal Government's actions put on small business. The other is to maximize for small firms, their ability to benefit from Federal programs.

"For whom does advocacy function? In its role as 'ombudsman' - general representative of small business in the executive branch - it may become involved in matters that either come or are brought to its attention or on a general proposition basis before regulatory and other agencies," Smith said.

Advocacy may support better treatment of an individual business when the facts warrant it; it may fight

for small firms in a particular part of the country, or it may fight for small business in a particular industry, he explained.

These and other aspects of advocacy may be of help to small businesses. Contact SBA offices in Chicago at 219 S. Dearborn St., Room 437, phone 353-5057 for more information.

Restorations

Your cherished memories don't have to stay locked away in that attic trunk or in the old family album you pored over as a child. They can be made to glow again ... in an honored place in your home or as a gift to someone dear.

Stop in soon and bring your old photographs for an estimate

LOTS OF ACTION — Kids at Antioch Upper Grade 50's dance show much enthusiasm in their version of early rock and roll moves. Friday night dances at school are popular with junior high crowd.

Names in the NEWS

Steven M. Dziki, 25, successfully completed the Feb., 1979, Illinois Bar Exam, and on April 26 was admitted to practice by the Illinois Appellate Court serving the Second Judicial District, Justice Moran of the Illinois Supreme Court presiding.

A 1971 graduate of Antioch Community High School, Steven received his Bachelor

of Arts degree from the University of Illinois in 1975. He then attended Valparaiso University Law School, graduating in 1978 with a Juris Doctor degree.

While in law school, he interned for both the Valparaiso University Legal Aid Assn. and the Prosecuting Attorney for the Thirty-Second Judicial Circuit, La Porte County, Ind.

Indiana Supreme Court rules allowing law students to practice in court under a supervising attorney allowed Steven to obtain valuable practical experience. He successfully completed the July, 1978, Wisconsin Bar Exam and after an association with a Wisconsin law firm, returned to his hometown of Antioch to open an office at 549

Lake St., Antioch, where he now practices both Illinois and Wisconsin law.

Steven is the son of Julian "Jay" and Anna Mae Dziki of 862 Cedarcrest Dr., Lake Villa.

An English soccer player was once fined 10 shillings for smiling at a referee during a game.

Sunday Evening 7:00 p.m.

Brought to you by
the Rotary Club of Antioch.

Along the way with ANNIE MAE

IT'S A GIRL! Mr. and Mrs. Craig Fuller of Forest Ct. in Antioch had their first baby, Allison Joy, on April 27 at Lake Forest Hospital.

The happy grandmas and grandpas are Mr. and Mrs. J. Seputis of Lake Villa and Mr. and Mrs. A. Fuller of Lake Villa.

Congratulations to the new parents!

SOMEONE SPECIAL will celebrate her birthday today... it's Jean, our receptionist, and since she makes all sorts of beautiful cakes for special occasions, I hope she makes one for today... (so I can come over and snatch a piece).

I'M THINKING ABOUT going on vacation again... only I haven't decided where to go... does Acapulco sound too exotic for me? How about Manitoba, Canada? Got any suggestions?

BIRTHDAY WISHES GO OUT TO Lucille Pfarr, in Kenosha, who should have a big bash for Mom's Day, and Nancy Georgeson, mom of four handsome boys, who blew out the candles yesterday. Also, Sue Haley will celebrate tomorrow... I wonder what our Mayor Mike, her husband, will remember to get her. Also Chester Rich will have a birthday tomorrow, he told me he'll celebrate Friday when he takes off!

FOR ALL THE MOMS in town, Happy Mother's Day! You all deserve the best... you've earned it!

CONGRATULATIONS to Susan Cardiff, in fourth grade at Antioch Grade School, who won first prize in the "Mom of the Year" contest for her special essay. Susan's wonderful essay appears somewhere in the Antioch News. Her mom will now receive a truckload of wonderful prizes donated by area merchants.

LOIS HARTMAN, YOUTH BOWLING coordinator thrives on introducing the younger set to the fun of bowling. She's winding up the 1978-79 season with a series of banquet buffets and award presentations at Antioch Bowling Lanes. Joe Ster-

benz and Marty Padjen don't have to worry about a thing when Lois is on the job.

PLANS FOR ANTIOCH Summerfest, sponsored by the Antioch Chamber of Commerce and Industry, are shaping up nicely. And why shouldn't they with two civic "pros" spearheading the July 8 event, Pres Reckers and Dennis Johnson.

ED VOS, ANTIOCH'S retired but far from inactive lumber merchant, feels that he came up second best in trying to outfox the weatherman this year. "We spent five weeks in Florida this year and still caught a lot of the bad weather," muses Ed.

Robert J. Hunley of Antioch was named to the Dean's List for the winter, 1979 semester at Jacksonville University.

Phyllis McMillen of Antioch will present "Fans and Fair Ladies" at the State Convention of the National Assn. of Retired Federal Employees (NARFE) at the Holiday Inn in Mundelein on Wednesday, May 9. Also overheard Phyllis talking about meeting the Duke of Argyll last week at a reception she attended with Ann and Kit Kakacek. She claimed the Scottish attire and activities were overwhelming. She does get around, you know.

While shopping here last Friday, I had a most unusual and pleasant experience, I was asked for my ID! In all the years (just how many I'm not saying) I've been of age I have never once been asked for proof. So it came as quite a shock and I asked the young man if he was kidding.

He assured me he was not, and told me I looked "kind of young." I took that as a genuine compliment and told him he had made my day. Ah! to be somewhere near 19 again.

Alcoholism group comes to Antioch

Lake County Council on Alcoholism is reaching out to other members of the family than the problem drinker. Family Intervention Group is coming out into the county.

It will meet from 1 until 3 p.m. on Wednesday at the Antioch Township Community Room, Rte. 173, two blocks east of Rte. 83, across from Lyons-Ryan auto dealers.

This successful concept, Family Intervention Group, is designed for the "significant others" in a problem drinker's life.

In the group, family members learn new approaches to use with the drinker so that he is confronted with the reality of his drinking and its effect on their lives.

The group teaches ways of breaking down the drinker's excuse system and making him/her responsible for the consequences of his/her drinking.

The assumption of the group is that by making available a change in the family members reactions and responses to the alcoholic, he will be motivated to examine his drinking problem and enter into treatment.

The primary goal of the group is to affect the recovery of the co-alcoholic. By definition, a co-alcoholic is a person who lives with an alcoholic and has developed many symptoms: isolation, depression, rapid mood swings, poor problem-solving skills, low self esteem, accepting unacceptable behavior.

The group is structured with definite tasks given to the members in order to effect behavioral changes.

"Better than interest on checking"

Want to reduce your cost of monthly check writing? With Smart Saver, you can. If you keep both your savings account and your checking account with us, we'll reduce the cost of your checking account. For most people, this is better than earning interest on checking.

IT'S SMARTER TO DO ALL YOUR BANKING WITH US
Some people keep their checking at one bank and their savings account elsewhere. With the Smart Saver Checking Account, it is smarter to keep both checking and savings with us. Because with the Smart Saver Checking Account, your savings earns interest and qualifies you for discount on your checking account cost. So, your savings account is working doubly hard for you—earning interest and reducing checking costs!

IT'S MORE CONVENIENT, TOO
Smart Saver will also save you time. No longer will you have to run from one financial institution to another. With Smart Saver, you've got all your accounts in one convenient place.

STOP IN AND OPEN A SMART SAVER CHECKING ACCOUNT

Take advantage of the Smart Saver Checking Account—now! We'll be happy to show you how much Smart Saver can save for you.
